

HATI

Hiking

and

Transportation

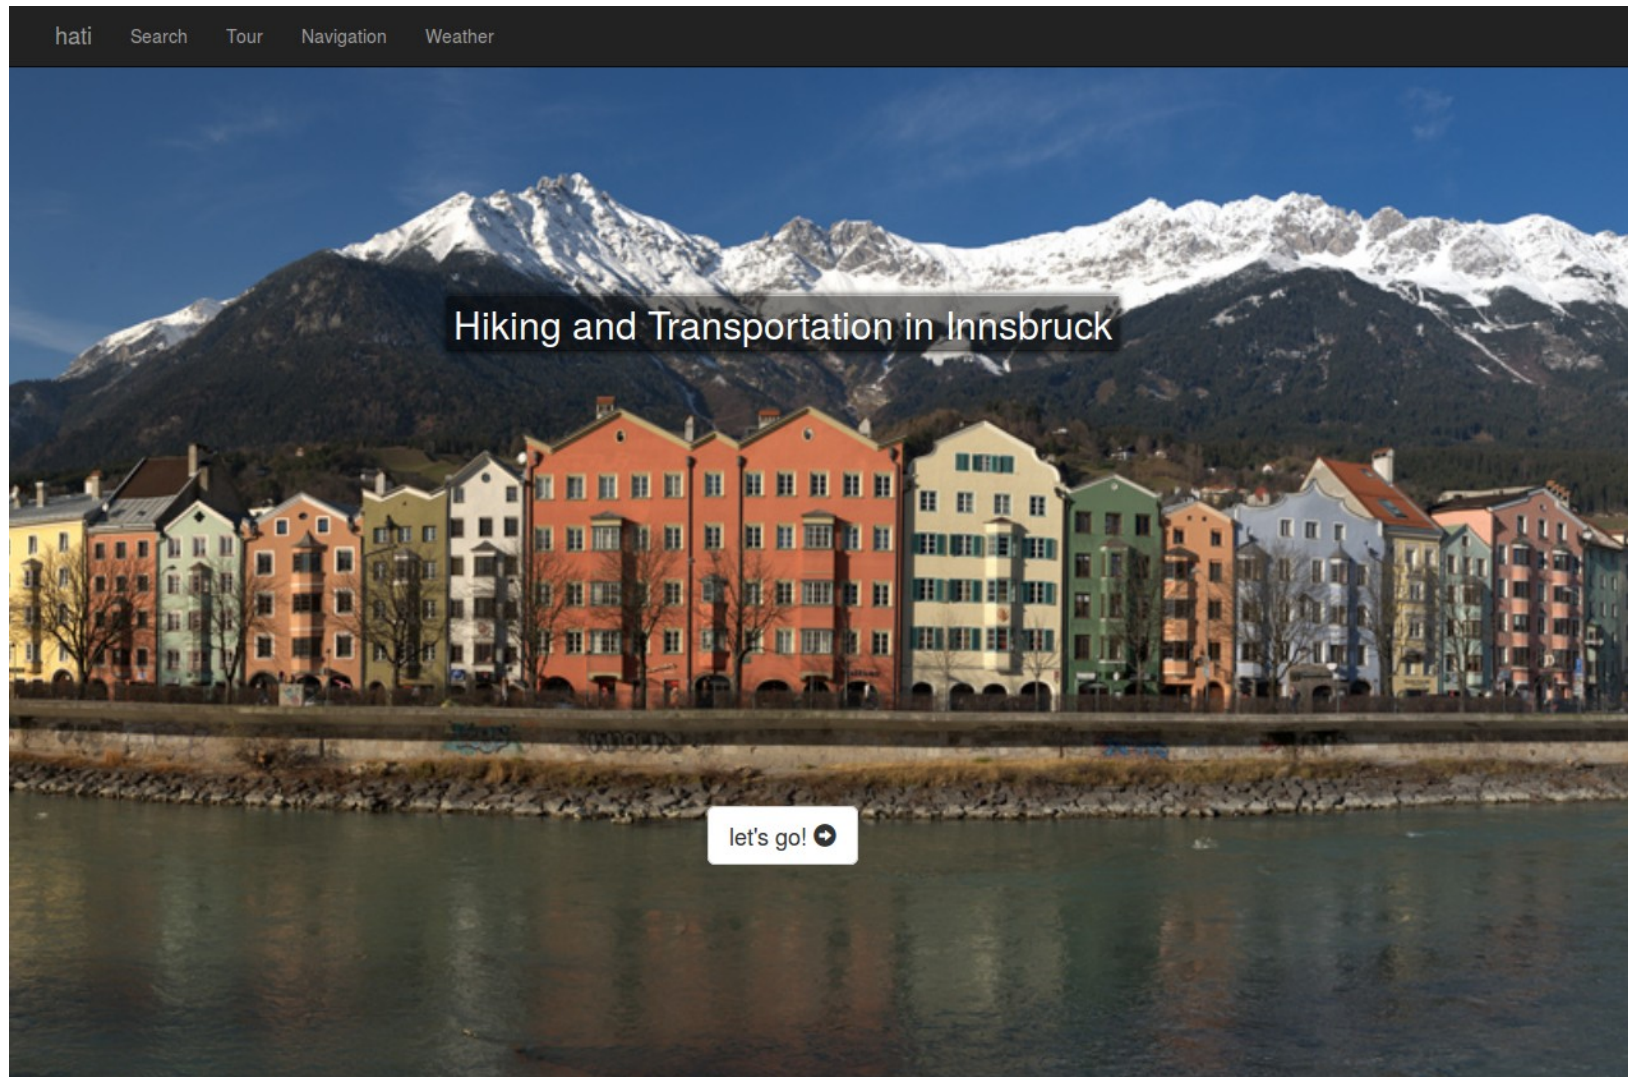

**INNS'
BRUCK**

in Innsbruck

Progress

- Now using leaflet instead of OpenLayers ✓
- Bus stop graph is now only generated once per server start instead of generating a new graph at every request ✓
- Calculate routes between bus stops with yournavigation API ✓
- Draw bus stops and bus route ✓

Demo

Next steps

- Draw bus line info
- Prettify weather mixin
- Deployment on OpenShift

Thank You
